WORK EXPERIENCE

Engineering/Electrical Technician | September 2017 - Present
University of Michigan Transportation Research Institute (UMTRI) - Human Factors
Part of a team that installs vehicle awareness devices (VAD) in all types of vehicles. I also frequently do work with other teams within Human Factors to assess human interaction with vehicle safety devices and AVs. Here, I have been able to develop my multitasking skills in an agile work environment.

Residential Staff Coordinator | August 2016 - Present
University of Michigan Housing
Responsible for being the primary connection between our staff leadership team and my team of ResStaff RAs and CCAs. Requires exceptional communication and interpersonal skills to assess and manage staff dynamics, facilitate meetings, and moderate conflict resolution. I also serve as the advisor to my dorm's Hall Council, which aims to improve the community.

Resident Advisor | August 2015 - Present
University of Michigan Housing
Responsible for building community within U of M University Housing by planning and implementing social programs, supporting individual residents, and managing roommate conflicts in an appropriate manner.

Maintenance Technician | May 2015 - August 2017
University of Michigan Plant Operations
In addition to inspecting life safety equipment in all of the university-owned buildings, I frequently communicated with building managers and other Plant Ops employees to meet our monthly quota.

Automotive Detailing Technician | May 2014 - August 2014
Classic Appreciation, Birmingham
Professional detailing of a wide range of high-end vehicles; inspired the start of my own mobile-detailing business based in Metro-Detroit.

EXTRACURRICULARS

OptiMize | October 2017 - Present
U of M student organization that unites students who are passionate about social change. Provides students with resources and over \$200,000 annually to help turn ideas and startup aspirations into impact.

Detroit Partnership Member | October 2013 - Present
U of M student-run nonprofit dedicated to uniting Ann Arbor and Detroit through service-learning projects and fulfilling community partnerships.
