## SKILLS

- 
- blah
- 

## EXTRAS

- OptiMize things (formatted like work exp)
- Detroit partnership

## WORK EXPERIENCE

### UX Designer / Project Manager | January 2018 - Present

LookingBus, Ann Arbor

- Redesigning a mobile app that helps blind and visually impaired (BVI) users navigate the public transit system.
- Ran a competitive analysis, heuristic evaluation and usability tests with app
- Recruited participants and conducted user interviews.
- Currently in the process of creating a prototype.
- Final deliverable for the client will be a working prototype of the application.

### Engineering/Electrical Technician | September 2017 - Present

University of Michigan Transportation Research Institute (UMTRI) - Human Factors

- Responsible for installing vehicle awareness devices (VADs) into vehicles. This connects them to the Ann Arbor Connected Vehicle Environment (AACVE).
- Frequently work with other teams in Human Factors to evaluate human interaction with autonomous vehicles and various vehicle safety devices. Many companies contract UMTRI to do vehicle research in these areas.
- Exercise and develop my multitasking skills in an agile work environment.

### Residential Staff Coordinator | August 2016 - Present

University of Michigan Housing

- Responsible for being the primary connection between our staff leadership team and my team of ResStaff RAs and CCAs.
- Manage staff dynamics, facilitate meetings and brainstorming sessions, and moderate conflict resolution.
- Serve as the advisor to my dorm's Hall Council, which aims to improve the community by planning events and purchasing building upgrades.

### Resident Advisor | August 2015 - Present

University of Michigan Housing

- Responsible for building community within U of M University Housing
- Implement social programs, supporting individual residents, and managing roommate conflicts in an appropriate manner.

### Maintenance Technician | May 2015 - August 2017

University of Michigan Plant Operations

- Inspected life safety equipment in all university buildings.
- Communicated and coordinated with building managers to meet monthly quota.

### Automotive Detailing Technician | May 2014 - August 2014

Classic Appreciation, Birmingham MI

- Professionally detailed a wide range of high-end vehicles.
- Inspired the start of my own mobile-detailing business based in Metro-Detroit.
